PROMOUR EVENING EDITION OF VESTERDAY. Electricion of the News in Washington!

Bepertment Towards Prisoners. rom the Molite Nows.

During the sejourn in Mobile of the captured yaders of our country and slayers of our per de, it was paintal to remark that the enrickits many southern citizens got the letter of their idea of courtesy and broken down the barrierof cold and distant reserve which should be maintained between the captured enemy and the copie against whom they were taken in the act I waging a war of wrong and cruelty. We saw persons as polite and assiduous in their stentions to captured officers as if they were honred guests, instead of felloss who never spared breath or pains in abusing them as rebels and rascals, and seek ng their distraction, and who

still hold the same opinions, but were not ex-

We saw circles of citizens, with open months

in the detested neiform of Lincoln, the insignia of their bloody business of abunchter and subgation, and deporting themselves with positive deferential mein as they drank in all the stuff which those ouged byenus of the North chese to pour out for their edification. It was mortifying I was disgusting. Common souse feells dictates that we should treat our captured one mies with the most distant hauteur. It is as are prisoners. We cannot have friendly into

an everstrained notion of the courtesy due from them to the captive officers, many of whom, Grocers, Produce and Commission Gen Prenties among the number, were insolent, captions, and undignified. Some of these extra-
